Dear Mr. Jones:

This correspondence is in response to your Requests for Additional Information (RFAs) for the above referenced reports.

The additional debts listed on Line 10 of the Summary Pages of our amended reports were discovered during a self-initiated internal review process, which was undertaken in connection with the arrival of a new Chief of Staff and Finance Director.

The review included an evaluation of invoices received and paid by the Republican National Committee (RNC) to ensure the legitimacy of billings and the accuracy of the RNC's reports to the FEC. As a result of these good-faith efforts, and in compliance with FEC reporting regulations, we amended our reports appropriately. These efforts have also resulted in new processes to prevent similar issues from arising in the future, and should any additional information be found to warrant further amending existing reports, we will do so accordingly.

I trust this response will meet your requirements; however please feel free to contact me if you have any remaining questions.

Sincerely,

Boyd K. Rutherford
